

Fairytale-like, with a tendency towards 1001 Nights, one could certainly call this imposing villa complex, if the wonderful reality did not come up with real architecture. This fascinating domicile of exquisite opulence is situated high above with a tremendous view of the picturesque bay and the distant Mediterranean Sea - a splendid oasis in the European style that unites Orient and Occident and is exemplary for a sophisticated Mediterranean lifestyle. On a grandiose plateau, in a distinguished neighbourhood, lies this dream estate, embedded in magnificent outdoor facilities. Radiant outdoor terraces, a sparkling pool, luxurious outdoor kitchen, palm trees and green lawns, sauna and plenty of space for joy, family and guests. Endless views and sunshine, even in winter, convey a wellness feeling and ocean-liner mood, or a holiday forever. The exceptional construction quality, the extravagant furnishings and the exquisite location make this property one of those rare gems that you come across every now and then on the northern Costa Blanca.
